Chapter Meeting Saturday November 17

Our regular scheduled monthly meeting is the 3rd Saturday of the month at the Piccadilly Cafeteria 133 S Hurstbourne Lane. Eat at 5:30 PM, Meet at 6:30 PM

Chapter Update Mike & Kathy Lebre

Hope you have had a safe and fun summer, it looks like heat of summer is over and fall riding weather has arrived.

We had a couple of great rides this past month, one to A Nice Restaurant, which ended up at Hubers in Indiana, with many a twist, turns, ups and downs, and the second one to Mammoth Cave with a stop off at Chrome Crazy. Also we had a great time at our Chapter picnic, at McNealy Lake Park, the temperature was great, but slightly breezy, we had a lot of great food, games, with a special thanks to our Grill Master, Mike Lebre who did a great job in feeding all us hungry Goldwingers and slaving over a hot grill, and champion of the Corn Hole game, while enjoying looking at Renee and Don's pictures they took on their trip out west, with Steve and Lani. There are so many great things to see in this great big country of ours, so take some time to see some of it, you won't regret it.

We have a special request of our entire Chapter A group. Please put together a biography on yourself
Derby City Wing Riders Newsletter, October 2007

and email it along with any pictures that may go along with it to Mike and I at Lebre@insightbb.com or Jim at jim.rippy@insightbb.com. We would like to start featuring someone monthly in our newsletter and also post it on our web site under meet the chapter. We would like to begin featuring someone beginning with the first of the year.

Also don't forget that our Kentucky website is www.gwrraky.com and our Region website is www.region-n.org to keep you informed on up and coming events

Rider Education

This month we passed out rider, co-rider information cards at the meeting. Please keep these on the bike in case of an emergency. This can give first responders vital information that may save your life. In addition to the emergency information card on the bike, make sure you program in an ICE entry into your cell phone. In case of emergency first responders are trained to look for an ICE entry on the cell phone. This gives them someone to call in and emergency situation.

November 25, Sunday: Toys for Tots Louisville, Meet at 11:00 AM at the DQ Bluegrass Pkwy and we can ride over as a group.
