From the Chapter Director

Our last Chapter A meeting was held on Saturday, August 15, 2009, at Piccadilly's on Hurstbourne Lane. Please make welcome new members Eric Penix from Westport, Kentucky, and Joann Roth from Louisville, Kentucky. Also joining us from Chapter C in Lexington, Kentucky, was Chapter Director Russ Bell AKA Goo. Thank you for making the trip. We are glad you could join us. Russ, your Chapter A bar is in the mail.....

The night before our meeting we made a road trip to Chapter N in Dry Ridge, Kentucky, to try to capture the Traveling Plaque. We came up empty handed this time.....but the ride and the weather that night were really nice. The Traveling Plaque will be at Chapter C in Lexington, Kentucky. Their next meeting is Tuesday, August 25, 2009. I smell a road trip.

The Bluegrass Blast was last month. Our very own ACD Don and Renee Vier won the bike show! Congratulations guys. It sounds like the closing ceremony was quite moving; other than that, there was not a lot of chatter about the Blast....

We had the honor of riding in the Weedman funeral last month along with the Patriot Guard. All agreed it was quite an honor and a memorable experience. We are now getting correspondence from the Patriot Guard and a few Chapter A members plan on taking part in future missions.

The Ironman is coming up the end of August. One practice run has already taken place with an additional practice run planned for this Sunday. See the ride schedule for details.

Terry and Rick visited the new SS PowerSports dealer off I-65 at Brooks Street. There were absolutely no Hondas in their showroom. That was disappointing.

Our rider educator Bruce shared with us details about the new data base system. He is asking all members to take the time to e-mail him specifics about their current address, member number including expiration date, current level, and dates of completion of CPR and the ERC.

High mileage winners for August include Don and Renee Vier and Jo Rippy. Our meeting concluded with 50/50, door prizes, collection of high mileage statistics, and a ice cream run to the Barrel. The ride that night was particularly nice.

Take care everyone and ride safe.

Terry and Karen
